

# AT HOME DISCUSSION

## LOOP LIKES YOU, CAT TOYS: May 16th

### MAIN POINT AND BIBLE VERSE

#### Big Question

*What is your favorite thing God created?*

#### The Verse

*Isaiah 40:26 NIRV, "Look up toward the sky. Who created everything you see? The Lord causes the stars to come out at night one by one. He calls out each one of them by name. His power and strength are great. So none of the stars is missing."*

### ICEBREAKER QUESTION

If you could create a new animal, what would it be like?

### LESSON QUESTIONS

1. What was your favorite part of the message today? What's one thing you learned?
2. What's your answer to today's big question? *(Printed above)*
3. Read Isaiah 40:26 NIRV. How does it make you feel to know that the same Creator who knows the names of the trillions and trillions of stars in the universe knows your name too and loves you?
4. We learned about empathy today, and how it's important to try to understand others and what they're feeling without judging or running away from them. How does knowing that everyone is made by the Creator of the Universe help you to have empathy for someone—even if you don't really like them that much?
5. Do you ever look at yourself and the way God created you and think you would've created yourself differently in some way? How do you think your answer makes God feel?

### PRAY TOGETHER
