

# KIDCON Interactive Videos

All three videos for KIDCON have an interactive component that is most easily accessed using a computer, phone, or tablet. However, you may still want to cast or stream it to your TV. If you are unable to interact with the video, it will pause and then advance on its own after 30 seconds.

## Instructions

All instructions and directions can be found in the packet that was provided to you at pickup or on the [KIDCON Website](#)
