A **Different** Kind of *Resolution*

¹ Now faith is being sure of what we hope for and certain of what we do not see. ² This is what the ancients were commended for. ³ By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible.

⁶ And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.
